NEW SCHEDULE FOR COMBINED FILERS

NH-1120-WE, Schedule IA has been removed and Schedule I has been updated.

NO EXTENSION OF TIME TO PAY TAX

An extension of time to file your return is not an extension of time to pay the tax due. An automatic 7 month extension of time to file your return will be granted, however, interest will be applied and penalties shall be assessed if 100% of the tax determined to be due has not been paid by the due date of the tax. If the calculation on your extension indicates no additional balance due, please do not file an Application for Extension.

Access e-file or use Form BT-EXT for Business Taxes if you need to make an additional payment in order to have paid 100% of the tax due by the original due date.

When you calculate the tax on your return during the extension period, if the tax balance due is greater than zero, then you did not pay 100% of the tax by the original due date and interest will be applied and penalties shall be assessed. Do not file a request for an extension if no money is due.

To request an abatement of any penalties that may be assessed, please attach a letter and any supporting documentation (e.g. work papers for said calculation, change of status, etc.) to the front of the return when filed. As long as 100% of the tax due has been paid by the original due date, you have an automatic 7 month extension of time to file the return.

Even if you have filed a Federal and/or State extension, it is not necessary to attach a copy to your return.

DEPRECIATION AND RECONCILIATION

President George W. Bush signed PL 107-147, the "Job Creation and Worker Assistance Act," also known as the Economic Stimulus package and PL 108-27, Jobs Growth Tax Relief Reconciliation Act of 2003. Under these laws, there was a change to federal business taxpayer filings for 2001- 2004 calendar year returns which included bonus depreciation of the cost of capital assets placed in service between September 10, 2001 and January 1, 2005 or January 1, 2006, for certain assets.

At this time, the New Hampshire Legislature has not changed the current business tax laws to conform with the federal tax law changes. The Internal Revenue Code (IRC) reference remains the Code **in effect on December 31, 2000**. Therefore, if these changes are used on your federal filing, business taxpayers must recalculate their New Hampshire gross business profits. Since, under current New Hampshire law, the bonus depreciation and the additional IRC Section 179 expense is not allowable, business taxpayers will have to adjust the taxable income reported on their federal return before reporting their gross business profits on their New Hampshire business tax return. The adjustment will require the removal of the federal depreciation and IRC Section 179 expense authorized under the "Job Creation and Worker Assistance Act" and only allow depreciation and IRC Section 179 expense as provided under the IRC in effect on December 31, 2000.

Schedule R has been provided in this booklet for each business entity type to assist businesses in recalculating their New Hampshire Gross Business Profits. The completed Schedule R should be filed with the corresponding New Hampshire Business Tax return.

GENERAL INSTRUCTIONS FOR FILING BUSINESS TAXES

S-CORP FILERS	New Hampshire treats subchapter "S" corporations as if they were "C" corporations. All S-corporations are required to complete Form DP-120. Returns filed without a Form DP-120 will be incomplete and may be returned to the taxpayer. S-corporations who make actual distributions to New Hampshire resident shareholders are required to file Form DP-9 separately from the return.
SINGLE MEMBER LIMITED LIABILITY COMPANIES	<p>Single Member Limited Liability Companies (SMLLC) shall use Form DP-200 to apply for a New Hampshire Department of Revenue Administration assigned identification number. This form shall be filed at least 30 days prior to the filing of any other tax related document. SMLLC's are required by New Hampshire law to file a tax return even though the SMLLC does NOT file a separate federal tax return.</p> <p>ALL SMLLC's MUST USE A DEPARTMENT IDENTIFICATION NUMBER (DIN) WHEN FILING ANY AND ALL TAX RELATED DOCUMENTS.</p> <p>Your DIN shall be used in place of the entity's federal employer identification number. When filing all future documents, the DIN shall be entered wherever federal employer identification numbers or social security numbers are required.</p>
ESTIMATED BPT & BET PAYMENTS	Every entity required to file a Business Profits Tax (BPT) return and/or a Business Enterprise Tax (BET) return must also make quarterly estimated tax payments for each individual tax for its subsequent taxable period, unless the ANNUAL estimated tax for the subsequent taxable period for each tax individually is less than \$200. However, if at the end of any quarter the estimated tax for the year exceeds \$200, an estimated tax payment must be filed. The quarterly estimates are 25% of the estimated tax liability. See the instructions with the Estimated Business Profits Tax Form for exceptions and penalties for noncompliance.
DEPRECIATION AND RECONCILIATION	<p>President George W. Bush signed PL 107-147, the "Job Creation and Worker Assistance Act," also known as the Economic Stimulus package and PL 108-27, Jobs Growth Tax Relief Reconciliation Act of 2003. (January 1, 2006, for certain assets).</p> <p>At this time, the New Hampshire Legislature has not changed the current business tax law to conform with the federal tax law changes. The Internal Revenue Code (IRC) reference remains the Code in effect on December 31, 2000. Therefore, if these changes are used on your federal filing, business taxpayers must recalculate their New Hampshire gross business profits. Since, under current New Hampshire law, the bonus depreciation and the additional IRC Section 179 expense is not allowable, business taxpayers will have to adjust the taxable income reported on their federal return before reporting their gross business profits on their New Hampshire business tax return. The adjustment will require the removal of the federal depreciation and IRC Section 179 expense authorized under the "Job Creation and Worker Assistance Act" and only allow depreciation and IRC Section 179 expense as provided under the IRC in effect on December 31, 2000.</p> <p>Schedule R has been provided in this booklet for each business entity to assist in recalculating their New Hampshire Gross Business Profits. The completed Schedule R should be filed with the corresponding New Hampshire Business Tax return.</p>
REFERENCES TO FEDERAL FORMS	All references to federal tax forms and form lines are based on draft forms available at the time the state forms were printed. If the federal line number and description do not match, follow the line description or contact the Department at (603) 271-2191.

WHO MUST FILE A BPT RETURN	<p>The New Hampshire Business Profits Tax law requires the filing of a combined tax return by a water's edge combined group. The law provides that the tax liability must be determined by the "water's edge" method, a statutory term which is defined as the determination of "taxable business profits" for a group of business organizations conducting a unitary business by adding their "combined net income", the additions and deductions provided in RSA 77-A:4 for the members of the group, and apportioning the results as provided in RSA 77-A:3. "Combined net income" is also defined by statute and although its calculation would include all business organizations conducting the unitary business, the New Hampshire Water's Edge Group excludes "overseas business organization" for tax calculation purposes. An "overseas business organization" is defined in the law as a business organization with 80% or more of the average of their payroll and property assigned to a location outside the 50 states and the District of Columbia. All business organizations, including corporations, fiduciaries, partnerships, limited liability companies, proprietorships, combined groups, and homeowner's associations must file a Business Profits Tax return provided they are carrying on business activity inside New Hampshire and their gross business income from everywhere is in excess of \$50,000.</p> <p>"Gross business income" means all income for federal income tax purposes from whatever source derived including: total sales, total rents, gross proceeds from the sale of assets, etc., before deducting any costs or expenses. Even if there is no profit, a return must be filed when the gross business income exceeds \$50,000.</p> <p>A "combined group" means any business organization whose unitary business is conducted inside and outside New Hampshire through the use of more than one legal entity and who files a single New Hampshire tax return (or other document) to report the activity of the combined group. If you are unsure whether or not you are required to file using the combined return, please call (603)271-3400.</p> <p>All business organizations conducting a unitary business must be included in the combined report unless they qualify as an overseas business organization, as defined by RSA 77-A:1 XIX, and are listed as such on the Form NH-1120-WE, page 2 (previously Form AU-20).</p>								
IDENTICAL FILING ENTITY	<p>The return filed for the Business Enterprise Tax MUST reflect the identical business entity reported for Business Profits Tax purposes. IF YOU ARE REQUIRED TO FILE EITHER TAX, THEN YOU MUST FILE A BUSINESS TAX SUMMARY. THE BUSINESS TAX SUMMARY VERIFIES AND UPDATES BOTH THE BUSINESS ENTERPRISE TAX AND/OR THE BUSINESS PROFITS TAX RETURNS. FAILURE TO FILE A BUSINESS TAX SUMMARY WILL CONSTITUTE AN INCOMPLETE FILING OF THE BUSINESS TAX RETURNS.</p>

This Schedule R shall be used to reconcile the federal income calculations of the federal partnership and proprietorship income tax return filed with the Internal Revenue Service to the federal income calculated using the Internal Revenue Code (IRC) in effect on December 31, 2000. The revised calculation of federal income shall be used for the New Hampshire income on Line 1(a) through 1(c) and Lines 2 and 3 of the NH-1065 return and income on Lines 1 through 5 of the NH-1040 return. Since the income activities are segregated on the partnership and proprietorship returns, this Schedule R must be used for each income type where IRC Section 179 and bonus depreciation deductions have been taken. Check the appropriate box in the Activities section below to indicate the income activity. If only asset sales require a reconciliation, skip Lines 1 through 4 of this form.

If you are filing a **Fiduciary** Business Profits Tax return, Form NH-1041, you must compute your IRC Section 179 and depreciation expense in Line 2 of the NH-1041 using the IRC in effect on December 31, 2000. You may use the Federal Form 4562, Depreciation and Amortization (2000 Tax Year) to calculate these deductions. If you have any questions, please call Customer Service at (603) 271-2191.

1 Who Must Pay Estimated Tax

Every entity required to file a Business Profits and/or Business Enterprise Tax return must also make estimated tax payments, for each individual tax, for its subsequent taxable period; unless the annual estimated tax for the subsequent taxable period, for each individual tax, is less than \$200. However, quarterly payments are required to be made whenever your **annual** estimated tax for the subsequent taxable period equals or exceeds \$200 for either tax. (See paragraph 6 for exceptions).

2 Where to Make Payments

Make estimated tax payments on line at www.revenue.nh.gov or mail estimated tax payments to:

NH DEPT OF REVENUE ADMINISTRATION
DOCUMENT PROCESSING DIVISION

2nd quarterly payment due **June 15, 2006**
3rd quarterly payment due **September 15, 2006**

4 Payment of Estimated Tax

Estimated tax may be paid in full with the initial declaration or in installments on the due dates.

You may make all four estimate payments at one time over the Internet. Specify each date you want a payment to be made from your account and each payment will be withdrawn on the date you specified.

5 Underpayment Penalty

A penalty may be imposed by law (RSA 21-J:32) for an underpayment of estimated taxes if the payments are less than 90% of that period's tax liability. If estimate payments are not made on time, even if 90% of the tax is eventually paid, an underpayment penalty may be applied. If an estimated payment is missed, send the payment as soon as possible to reduce any penalty.

This penalty will not be imposed if any of the statutory exceptions apply. See Form DP-2210/2220.

6 Exceptions to the Underpayment Penalty

The penalty shall not apply if you meet one of the exceptions provided in the law (RSA 21-J:32). Please use Form DP 2210/2220 to see if you meet one of the exceptions or to compute the amount of the penalty.

FISCAL YEAR FILERS MUST ENTER THE TAX YEAR ON EACH ESTIMATE FORM.

4 Payment of Estimated Tax

Estimated tax may be paid in full with the initial declaration or in installments on the due dates.

You may make all four estimate payments at one time over the Internet. Specify each date you want a payment to be made from your account and each payment will be withdrawn on the date you specified.

5 Underpayment Penalty

A penalty may be imposed by law (RSA 21-J:32) for an underpayment of estimated taxes if the payments are less than 90% of that period's tax liability. If estimate payments are not made on time, even if 90% of the tax is eventually paid, an underpayment penalty may be applied. If an estimated payment is missed, send the payment as soon as possible to reduce any penalty.

This penalty will not be imposed if any of the statutory exceptions apply. See Form DP-2210/2220.

6 Exceptions to the Underpayment Penalty

The penalty shall not apply if you meet one of the exceptions provided in the law (RSA 21-J:32). Please use Form DP-2210/2220 to see if you meet one of the exceptions or to compute the amount of the penalty. To obtain this form visit our web site or call the forms line at (603) 271-2192.

NEW HAMPSHIRE DEPARTMENT OF REVENUE ADMINISTRATION
INTEREST AND DIVIDENDS TAX RETURN
GENERAL INSTRUCTIONS

Common Errors	<p>The following is a list of the most common mistakes made by taxpayers when filing a New Hampshire Interest and Dividends Tax return. These, along with other errors, may cause the return to be considered an "incomplete return" which may result in the assessment of interest and penalties. To ensure that you have filed a complete return, carefully follow the general and line-by-line instructions and be sure you have done the following:</p> <p>Have you signed and dated the return in ink?</p> <p>If this is a joint return, has your spouse included his/her social security number, signed and dated the return in ink?</p> <p>If there is a balance due of \$1.00 or greater, have you enclosed a check for the total amount due?</p> <p>Did you make the check payable to the State of New Hampshire?</p> <p>Is the written amount on the check the same as the numeric amount?</p> <p>Have you signed and dated the check?</p> <p>Have you enclosed both pages of Form DP-10?</p> <p>Did you mistakenly send a payment in the amount of your credit or refund? If you would like to make an additional payment please use Form DP-10-ES</p>
Who Must File A Return	<p>INDIVIDUALS: Individuals who are residents or inhabitants of New Hampshire for any part of the tax year must file providing they received more than \$2,400 of gross taxable interest and/or dividend income for a single individual or \$4,800 of such income for a married couple filing a joint New Hampshire return. (Part-year residents see below.)</p> <p>To determine whether a return must be filed, you should complete Page 2, Lines 1 - 7. If the amount on Line 7 is \$0 or less you are not required to file an Interest and Dividends Tax Return.</p> <p>PARTNERSHIPS, LLC's, ASSOCIATIONS, TRUSTS AND FIDUCIARIES: Please see separate tables in this booklet regarding "WHO" and "WHAT" is taxable. LLC's filing as Corporations are required to file an Interest and Dividend Tax Return.</p>
Joint Filers	To ensure your payments are credited to your account, the sequence of names and social security numbers must be consistent on all Interest and Dividends Tax estimates, extensions and returns.
Part Year Resident	<p>For New Hampshire Interest & Dividends Tax purposes, a "part year resident" is someone who has permanently established residency in New Hampshire during the year or who has permanently abandoned residency in New Hampshire during the year.</p> <p>If you established residency after January 1st of this tax period check the "Initial Return" box and enter the date of residency in Step 2. If you abandoned residency during the year, check the "Final Return" box and enter the date in Step 2.</p> <p>A temporary absence for any length of time does not change your state of residency. If you are unsure whether you are a resident of New Hampshire, please call the Customer Service (603) 271-2191, Monday through Friday, 8:00 a.m. to 4:30 p.m.</p> <p>Only the interest and dividend income earned during that portion of the year for which they were a New Hampshire resident is taxable. Part-year residents are entitled to the full \$2,400 exemption (or \$4,800 for joint filers) and the full amount for the exemptions shown on Line 9 of the return.</p> <p>Part-year residents must file a return if, during the entire year, their adjusted taxable income was over \$2,400 (or over \$4,800 for joint filers).</p>
When To File	<p>Calendar Year: If your return is based on a calendar year, it must be postmarked on or before April 15th, unless the 15th is a weekend or a recognized State holiday, it will be due on the next business day. Fiscal Year: If your return is based on a taxable period other than a calendar year, it must be postmarked on or before the 15th day of the fourth month following the end of your taxable period.</p>
Where To File	<p>MAIL NH DEPT OF REVENUE ADMINISTRATION TO: DOCUMENT PROCESSING DIVISION PO BOX 2072 CONCORD NH 03302-2072</p> <p>FACSIMILE DOCUMENTS ARE NOT ACCEPTED</p>
Extension To File	<p>New Hampshire does not require taxpayers to file an application for an automatic 7-month extension of time to file provided that the taxpayer has paid 100% of the Interest and Dividends Tax determined to be due by the due date of the tax.</p> <p>If you need to make an additional payment, you may file a Form DP-59-A along with the payment or e-file your payment on-line at www.revenue.nh.gov. This application and payment must be postmarked on or before the due date of the tax. Failure to pay 100% of the tax due by the original due date will result in the assessment of interest and may result in the assessment of penalties. You are not required to attach a copy of your federal extension to your return.</p>
Confidential Information	Tax information which is disclosed to the New Hampshire Department of Revenue Administration is held in strict confidence by law. The information may be disclosed to the United States Internal Revenue Service, agencies responsible for the administration of taxes in other states in accordance with compacts for the exchange of information, and as otherwise authorized by New Hampshire RSA 21-J:14.
Social Security Numbers	Disclosure of social security numbers is mandatory under Department of Revenue Administration rules Rev 221.02, 221.03. This information is required for the purpose of administering the tax laws of this state and authorized by 42 U.S.C.S. § 405 (c)(2)(C)(i). The failure to provide social security numbers may result in a rejection of a return or application. The failure to timely file a return or application complete with social security numbers may result in the imposition of civil or criminal penalties, the disallowance of claimed exemptions, exclusions, credits, deductions or adjustments that may result in increased tax liability.
Amended Returns	If you discover an error was made on your return after it has been filed, an amended New Hampshire return should be promptly filed by completing a corrected Form DP-10 and by checking the "AMENDED" box in Step 2 on the return. New Hampshire does not have a separate form for amended returns.
Rounding	Money items on all Interest and Dividends Tax forms may be rounded off to the nearest whole dollar.
Report Of Change	To report a change to your Interest and Dividends Tax Return for years 1994 to present, (which resulted from a federal audit) file a separate report of change, Form ROC-DP-10, for each year. To report a change for taxable periods prior to 1994 contact the Department for the appropriate forms and instructions. To file a report of change on an Interest and Dividends Tax return, you will need to use the federal adjustment and a copy of your return as originally filed or previously adjusted. When filing the completed ROC-DP-10, you must sign in ink and include the IRS form reporting the change. Follow the line by line instructions when filling out the report of change. An incomplete ROC will not be accepted.

WHAT IS TAXABLE
To the Individual Filer

The actual cash or property distributions you receive from partnerships, LLCs, associations, estates or trusts fall into one of the following three categories: entirely NOT taxable to New Hampshire, entirely taxable to New Hampshire, or taxable in part to New Hampshire. In general, you can determine which category your income falls into by answering the questions below.

- (A) **Is the organization required to file its own New Hampshire Interest and Dividends Tax return?** If yes, your entire distribution is NOT taxable to New Hampshire. See (1) below. Use reason code 6. If no, move on to question B.
- (B) **Does the organization have transferable shares?** Can you freely transfer your shares without causing a dissolution of the organization or without obtaining prior member approval? If yes, your entire ACTUAL distribution from this organization is taxable. See (2) below. If no, move on to (C), below.
- (C) **If the organization is not required to file its own New Hampshire Interest & Dividends Tax return AND the organization has non-transferable shares,** then the distribution you received from them is taxable to you as if it had come from its original source. The interest and dividend income subject to tax shall be imposed on the portion of the actual distribution which represents interest or dividends received by the entity. See (3) below. Use reason code 7.

INCOME FROM	WHAT IS TAXABLE	HOW TO SHOW THE TAXABLE PORTION
Partnerships LLC's Associations Trusts or Estates	(1) No part of your distribution is taxable to New Hampshire.	Not applicable.

On page 2, Line 2, enter its entity code, list the name of the entity and its federal employer identification number. In Column IV enter the total amount of the distribution you received.
	(3) A portion of the distribution you received is taxable to you. The taxable portion is determined by multiplying the amount of the actual distribution received by a fraction. The numerator is the total interest and dividends received by the entity. The denominator is the total amount of gross income received by the entity.	On page 2, Line 2, enter its entity code, list the name of the entity and its federal employer identification number. In Column IV enter the total amount of the distribution you received. Common Errors	<p>The following is a list of the most common mistakes made by taxpayers when filing a New Hampshire Interest and Dividends Tax return. These, along with other errors, may cause the return to be considered an "incomplete return" which may result in the assessment of interest and penalties. To ensure that you have filed a complete return, carefully follow the general and line-by-line instructions and be sure you have done the following:</p> <p>Have you signed and dated the return in ink?</p> <p>If this is a joint return, has your spouse included his/her social security number, signed and dated the return in ink?</p> <p>If there is a balance due of \$1.00 or greater, have you enclosed a check for the total amount due?</p> <p>Did you make the check payable to the State of New Hampshire?</p> <p>Is the written amount on the check the same as the numeric amount?</p> <p>Have you signed and dated the check?</p> <p>Have you enclosed both pages of the Form DP-10?</p> <p>Did you mistakenly send a payment in the amount of your credit or refund? If you would like to make an additional payment please use Form DP-10-ES.</p>
Who Must File A Return	<p>INDIVIDUALS: Individuals who are residents or inhabitants of NEW HAMPSHIRE for any part of the tax year must file providing they received more than \$2,400 of gross taxable interest and/or dividend income for a single individual or \$4,800 of such income for a married couple filing a joint New Hampshire return. (Part-year residents see below.)
